Levy County Schools Alum of the Year

Al Qualls, member of the Foundation's Board of Directors, was recognized over the weekend at the STARS Gala in Bronson. Each year, the Levy County Schools Foundation sponsors this fund raising event to support various scholarships for Levy County students.

As a 1961 graduate of Bronson High School, Mr. Qualls has continued to support his alma mater and its community through numerous donations to assist the district's students.

Mr. Qualls was named **Alum of Year for 2010** by the Levy County Schools Foundation.

Congratulations, Mr. Qualls, from all of us within the Foundation!

New Program Director

Lana Arnold was recently hired as our new Program Director for Conditional Release in Circuit 3, Community Based Intervention Services (CBIS) in Circuit 8, and Intensive Delinquency Diversion Services (IDDS) programs in Circuits 3 and 8. Ms. Arnold has a B.S. degree in Criminal Justice Management and over 15 years experience working with the Department of Juvenile Justice. Her office is located in Bronson. We are pleased to have her on our team and look forward to working with her. Welcome, Lana!

CARF Accreditation

Our current accreditation with CARF expires in August, 2010, with an agency-wide CARF survey in July. Brenda Mueller reports that Marcy Davis, Quality Improvement Specialist with the Foundation, will be the main contact person within our agency as we seek accreditation again. Please give her your full cooperation!

Brenda Mueller's Role is Expanded

Because of the Foundation's recent growth in community based programming, Megan Young is delighted to have administrative assistance in managing a broad geographical area for Conditional Release, CBIS, and IDDS with the Foundation.

Brenda will be the Community Based Administrator for Circuits 1, 2, and 14, in addition to her current Quality Improvement duties. Megan Young will be the CB Administrator for Circuits 3, 4, 5, 7, 8, and 9.

Both Megan and Brenda are excited as this division of administrative responsibilities will only serve to strengthen our teamwork as we undertake these new contracts. We are wishing you the best in your endeavors!

The Eagle Has Landed!
